United Treating & Distribution, LLC (UTD) is expanding its market presence by acquiring assets of the wood treating plant from OSA in Ringgold, Georgia

Muscle Shoals, AL – April 10, 2024 – United Treating & Distribution, LLC (UTD), a COMMITTED producer of pressure-treated wood and distributor of building products serving residential and industrial customers, is pleased to announce we have acquired OSA's wood treating plant and its associated assets located in Ringgold, Georgia.

UTD was founded in 2006 and has a customer base spanning 19 states. UTD supplies both treated and untreated lumber, along with distributing various building materials like aluminum railing and composite decking to retail lumber yards, contractor yards, multi-family markets, portable barn builders, utility trailer manufacturers, components for pallet and crating industry and other markets.

Chad Epperson, Owner and CEO of UTD, explains, "with our mission to glorify Jesus Christ, this acquisition gives us the ability to further our vision and expand our reach. We are excited about this opportunity to grow and live out our Brand Commitment of 'striving to do what we say we will do while delivering good news fast and bad news faster'. We look forward to continuing our commitment to building trust one delivery at a time."
